Note to all riders in A Superbike Expert, C Superbike Expert, Michelin/WERA Superbike, and 600 Superbike Expert (National), as well as the AMA 600 and 1000 Superbike Expert classes - your second practice on the morning of the race will determine your grid spot in those classes that day. Group 2 practice can only be used for 600/C races and Group 4 practice will be used for 1000/A/WERA Superbike classes. Make sure your transponder is on and working. Any issues will result in you being on the back of the grid

Thanks to all of our great sponsors this year!
